

Arizona Department of Education

Tom Horne, Superintendent of Public Instruction

System Training and Response (STaR) Team – Driving and Parking Directions

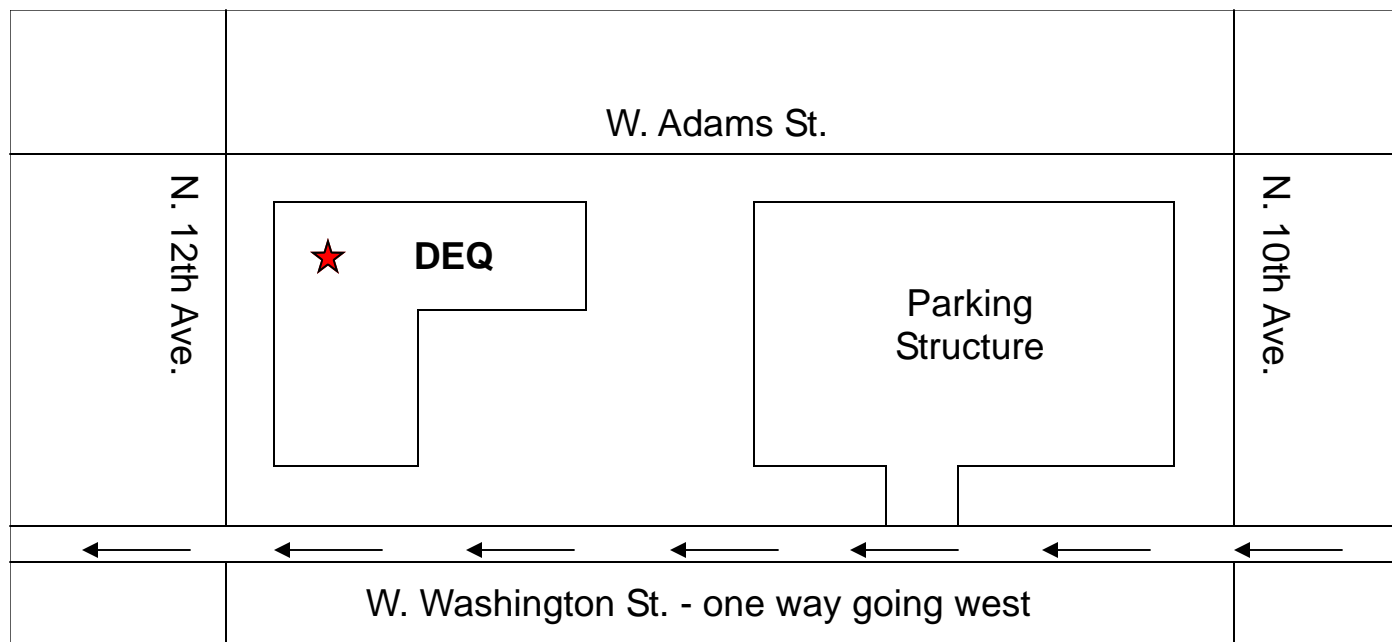

Arizona Department of Environmental Quality
1110 W. Washington St.
Phoenix, AZ 85007

This building is located on the northeast corner of West Washington Street and North 12th Avenue. There is a parking structure directly east of the building that participants may use.

Participants should drive west on Washington, which is one way. The entrance to the parking structure is the first driveway past North 10th Avenue, approximately 150 feet from 10th Ave. and just past the bus stop. As drivers approach 10th Avenue, they should make sure to be in the right lane on Washington. If the entrance to the parking structure is missed, drivers should turn right on North 12th Avenue, go north to West Adams Street, turn right again, go east to North 10th Avenue, turn right, go south to Washington, and then turn right to approach the parking structure again.

Participants must check in as visitors to this building in ADEQ reception, room 160. Please add ten minutes to estimated travel time to park, locate room 160, check in, and arrive at the classroom.

There is a full-service cafeteria located on the first floor of the parking structure.
